Welcome

The **Leo Bernstein Jewish Academy of Fine Arts** is an innovative Jewish Day School in the heart of Kemp Mill. Our school prides itself in being one of a few of its kind in the country.

We have an outstanding curriculum along with a nurturing faculty that allows a child’s imagination and love of learning to flourish. We offer low student/teacher ratio with classes specializing in Art, Music, Computers and Science. Our unique program combines the Arts along with an excellent education in both secular and Judaic subjects. Our Hebrew curriculum is taught as Hebrew immersion, *Ivrit B’Ivrit*. We teach and model Jewish values such as charity, kindness, respect and love for parents, teachers and Israel.

If you would like to learn more, please call us at (301)592-8433. We would love to be part of your child’s development and education.

Respectfully,

Rabbi Herzl Kranz,

Dean
